

## **2011 DVD Table of Contents**

### **Disc 1**

#### **AFTE 2012 Training Seminar Announcement**

Justine Kreso, Onondaga County Center for Forensic Sciences - Syracuse, NY  
Jennifer Coombs, Erie County Central Police Services Laboratory - Buffalo, NY

#### **What's New in Ammunition**

George Kass, Forensic Ammunition Service, Inc. - Okemos, MI

#### **SWGUN - Updates and Current Projects**

T.L. Price, Kansas Bureau of Investigation - Topeka, KS

#### **An Empirical Study to Evaluate the Repeatability and Uniqueness of Striations/Impressions in Fired Cartridge Casings Fired in Ten Consecutively Manufactured Slides**

Thomas Fadul & Gabriel Hernandez, Miami-Dade Police Department - Miami, FL

#### **Utilizing the Consistency of Wad Drop Off for Estimation of Shooter Location**

Jennifer Bishop, University of Central Oklahoma: Forensic Science Institute - Edmond, OK

#### **The 10 Consecutive Ruger Barrel Study: A 3D Look Using the PLu-neox from Sensofar**

Derrick McClarin, Alabama Department of Forensic Sciences - Birmingham, AL

#### **Understanding Airsoft**

Dan Alessio, Oregon State Police, Portland Metro Forensic Laboratory - Portland, OR

#### **Five Consecutively Manufactured Chisels**

Gerard Petillo, Connecticut Department of Public Safety - Meriden, CT

#### **Confocal Microscopy and Striated Tool Marks: A Statistical Study and Potential Software Tools for Examiners**

Nick Petraco, John Jay College - New York, NY

#### **The Examination, Evaluation and Identification of 9mm Caliber Cartridges Cases Fired from 1275+ GLOCK Semiautomatic Pistols Manufactured Over an 18 Year Period**

Dr. James Hamby, International Forensic Science Laboratory - Indianapolis, IN

**The Evaluation, Examination and Identification of 2,150+ Pairs of Fired Cartridge Cases Fired from Recently Manufactured GLOCK Semiautomatic Pistols - Over a 4.5 Year Period in Calibers 9mm, 357 SIG, 40 S&W, 10mm Auto, 45 GAP and 45 ACP Using Firing Pin Aperture, Firing Pin Impression and Firing Pin Drag Marks**

Steve Norris, Wyoming State Crime Laboratory - Cheyenne, WY

**AFTE Digital Reference Collection (DRC) Committee Update**

David Wright, Kansas Bureau of Investigation, Kansas City, KS

**Disc 2**

**St. Valentine's Day Massacre**

Lt. Michael Kline, Berrien County Sheriff's Department - St. Joseph, MI

**Chamber Throat Marks on Bullets and Their Significance in Rifling Marks**

Nancy McCombs, California DOJ-Fresno - Fresno, CA

**Theory of Marking Reproducibility**

Tsuneo Uchiyama, (Retired) National Research Institute of Police Science - Kashiwa, Japan

**Similar Tools, Different Marks: The Identification of a Pry Bar and Crowbar to Two Sets of Marks at a Crime Scene**

Erica Lawton-McWhite, Broward County Sheriff's Office - Ft. Lauderdale, FL

**The Persistence of Chamber Marks Over 1,440 Firings of Two Semiautomatic Pistols**

April Stowe, Southwestern Institute of Forensic Sciences - Dallas, TX

**Pistol Barrel Discrimination: A Numerical Analysis**

Rachel Bolton-King, Nottingham Trent University - Nottingham, England

**Utilizing IBIS BULLETTRAX-3D's Sensor Capturing Technology to Examine Seating Marks on Fired Bullets**

Deion Christophe, Oklahoma City Police Department - Oklahoma City, OK

**Our Experience in Building a Laboratory Information Management System (LIMS)**

Pavel Giverts, Israel Police Department - Israel

**Infrared Imaging and Flashcorrelation: Achieving the Goal**

John H. Dillon Jr., Independent Examiner - Manassas, VA

**Disc 3**

**Technology Associated with Infrared Imaging of Cartridge Cases and Bullets and the Quantification of Comparison**

Dr. Francine Prokoski, SED Technology, LLC - Fairfax, VA

**FAID2009: Proficiency Test and Workshop**

Petra Pauw-Vugts, Netherlands Forensic Institute - Ypenburg, Netherlands

**ASTM 1351-01 Method: Non-Destructive to Harvest and Analyses of Evidence on Firearms**

Fred Schmidt, Independent Forensic Investigator – Aurora, IL

**The Use of Advanced 3D Imaging System in Firearms Identification**

Rocky Edwards, Santa Ana Police Department - Santa Ana, CA

**Mirror Effect**

Evan Thompson, Arizona DPS Northern Regional Laboratory - Flagstaff, AZ

**Virtual Manipulative Tools for Tool Mark Characterization**

Dr. Song Zhang, Iowa State University - Ames, IA

**Investigating GSR Patterns using milli-X-Ray Fluorescence Techniques**

Rüdiger Schumacher, Forensic Science Institute of the Bundeskriminalamt - Wiesbaden, Germany

**Chamber Marks - A Bridge Linking Application of CMS from Striated Tool Mark to Impressed Tool Mark**

Beta Tam, Independent Examiner - Hong Kong

**An Introduction to the FMK Firearms model 9C1B Pistol**

April Wong, Los Angeles County Sheriff's Department - Los Angeles, CA

**Don't Slip Up on the Slippage**

Manuel Muñoz, Los Angeles County Sheriff's Department - Los Angeles, CA

**An Introduction of the Forensic Science Society Firearms Diploma**

Alice Walters, Metropolitan Police Service - London, England

**Disc 4**

**Correlation Algorithm of Conventional and EBIS Polygonal Bullets**

Dr. Danny Roberge, Forensic Technology, Inc. - Montreal, Canada

**A Fatal SKS Incident**

Lucien C. Haag, Independent Examiner - Carefree, AZ

**Bullets That Aren't: Their Physical Characteristics and Their Exterior Ballistics Properties**

Lucien C. Haag, Independent Examiner - Carefree, AZ

**Shooting Dynamics: Elements of Time & Movement in Shooting Incidents**

Alexander Jason, Independent Crime Scene Analyst - Pinole, CA

**Bullet Signature Identification Using Topography Measurements and Correlations: The Unification of Microscope and Mathematical Comparisons**

Wei Chu, John Song, Robert Thompson, NIST - Gaithersburg, MD

**Cartridge Case Signature Identification Using Topography Measurements and Correlations: Unification of Microscope and Mathematical Comparisons**

Alan Zheng, Robert Thompson, NIST - Gaithersburg, MD

**Understanding the Legislative Process as it Relate to the Forensic Reform**

Amy Driver, Independent Consultant - Washington, D.C.

**Forensic Examination in Grenade Launchers: Do They Leave Marks Sufficient Enough for Comparison Tests?**

Nick Tsiatis, Hellenic Police Department - Athens, Greece

**Why a Bullet Doesn't Behave Like a Rubber Ball - Ricochet on a Hard Surface**

Thomas Liebsher, Forensic Science Institute of the Bundeskriminalamt - Wiesbaden, Germany

**AFTE History**

Charles Meyers, 2nd President of AFTE (1970-1971)
